A new comment has been submitted at [socotransmission.com](http://socotransmission.com).

### COMMENT

Meeting Attended:  
Blanca Scoping MeetingImportant Issues:  
Radio or Television Interference, Health and Safety, Visual / Aesthetic Resources, Proximity to ResidencesProperty Uses:  
Other  
OTHER: The school district property line is bordered by two proposed routesComment:  
The Sierra Grande School District Board of Education does not support the construction of transmission routes #28 and #33. The Board of Education and administration feel that these routes pose health and safety concerns because they are in a very close proximity to the school facilities.

## L-010-001: Electrical Characteristics (In Review)

Your email/letter/comment form has been received and your comment noted. Electrical characteristics of the proposed project and mitigation measures will be addressed in the Environmental Impact Statement. The Environmental Impact Statement is anticipated to be completed in late 2010 and will be available at <http://www.usda.gov/rus/water/ees/ea.htm>.
